

ALABAMA TALENT TRIAD

Powered by EBSCO

Make your learning experiences count.

Use your skills to uncover the next step in your career pathway.

Students who participate in the Alabama Talent Triad can expect opportunities to create a skill-based Learning & Employment Record (LER) that will match their growing resume(s) with Alabama employers seeking candidates who have similar skills, credentials, and/or work experience. By maintaining a Digital Wallet, Students can build their Learning & Employment Records (LER) through retirement at no cost.

Mission

The Alabama Talent Triad was established to bring learners, job seekers, industry leaders and policy-makers together to build a true skills-based hiring economy. We are committed to helping every Alabamian achieve college and career readiness . The Alabama Talent Triad encourages enrollment in both degree and non-degree programs, and provides a more direct connection of all courses and programs to career opportunities.

Start Now!

All it takes is one decision to register for a state-funded program that can ensure learning and employment opportunities as long as you're willing to participate. It doesn't take much to get started.
